

Does your son or daughter like playing basketball?
Want to know if he/she's ready for more competitive basketball?
Here's your opportunity to check it out!

Our traveling program consists of boys and girls that range from 3rd grade through 8th grade that compete at varying levels.

The common misconception is that traveling basketball means you will spend weekends *out of town* or that you're driving *all over* but that's not the case! In fact, most teams practice 2 times / week and we typically have a tournament every second weekend (there are no 'league' games...only tournaments). This year's tournaments take place in places like Blaine, Champlin, St. Francis, and Forest Lake. Tournaments typically are 3 – 4 games that take place during the weekend. Qualified coaches work toward advancing your child to the next level focusing on "skills" or the fundamentals of basketball to make your son a better player.

If you would be interested in watching some games we would love for you to **be our guest at our upcoming St. Francis Boys Tournament Friday December 16th through Sunday December 18th!** Please bring the coupon below which gives your family free admission for 1 day. Throughout the day you can see boys compete at varying ages and levels. Your son or daughter may even know some of the players so it's also a great opportunity to cheer on a friend, family member or classmate! Have your player wear his/her in-house jersey and feel free to wear any other Saints-wear you may have to show your Saints spirit! For grade level playing times, please check our website at www.sfbaonline.com. Also, feel free to join us Sunday nights at the High School for open gym from 6:00 – 7:30. The open gym schedule is also on the website. It's an opportunity to practice shooting or other skills they may want to work on. It's free and supervised by the High School Varsity Basketball Staff or SFBA Board members.

If you have any other questions regarding our program please feel free to email Scott Goltz at scott@blueearthland.com.

We hope to see you there!

This coupon entitles _____
Player name

And his family free admission for 1 day to the St. Francis Boys Basketball tournament (Dec. 16-18th, 2010).

Enjoy the games!
